New generation, LED flush mount lighting solutions from Americanlite® excels in style, performance and value. From homes to hotels, restaurants to office spaces, these competitively-priced LED fixtures bring remarkable energy savings and inviting, uniform illumination to a wide range of residential and light commercial applications.

The Americanlite® Cloud™ Series offers the beauty of simplicity, LED in low-profile styled, round, stay-white, PVC diffuser, available in 12w, 18w, 24w, 32w and 40w. We have added an innovative selectable 3-CCT feature which incorporates a switch on each fixture for simple color temperature adjustment. 3 different choices for every single application Too warm or too cool? Simply toggle the integrated switch to your desired setting and you are done!

These fixtures provide an attractive low-cost lighting solution for every room in the home. Easy to install and the diffuser twist-locks into the housing for a hardware- free appearance and easy access for cleaning.

The Americanlite® Cloud™ Series offers unparalleled design freedom with mainstream value. Perfect for residential or commercial installations and ideal for general illumination in residential and light commercial applications. Ideal for use in foyers, hallways, bedrooms, offices, utility work areas, stairways, storage areas, corridors, basements, kitchen, and many more.
